**Effective Date: March 1, 2019**

## Introduction

Welcome to the web site of the Women's Foundation of Greater Kansas City ("Foundation"). Thank you for your interest in our mission.

This Web Site Terms of Use ("Terms") constitutes a binding legal agreement between the individual or entity accessing, viewing, and/or using (collectively "access") the web site ("you") and the Foundation. These Terms govern your access with respect to the Foundation's web sites including without limitation those available at or through <http://www.womens-foundation.org/> and <https://www.appointmentsproject.org/>, along with any content, information, materials, features, services, or anything else available at or through or used in connection with the Foundation's web sites (collectively, "Web Sites").

Access to the Web Sites in any manner constitutes your agreement to follow and be bound by these Terms, the Foundation's Privacy Policy, and any additional terms and conditions of which the Foundation provides notice with respect to anything that you access on or through the Web Sites.

The Foundation reserves the right to amend these Terms at any time and in the Foundation's sole discretion. Such amended terms will be effective upon posting by the Foundation. If you do not agree with the Terms as presently set forth, or as subsequently posted in amended form, please discontinue your access to the Web Sites immediately.

## Intellectual Property

The Web Sites and everything contained on them are the property of the Foundation and/or its licensors. Without limitation, such property includes all content on the Web Sites, for example trademarks, text, videos, audio, and pictures. Access to the Web Sites is limited by the Foundation to personal and non-commercial use and only to the extent authorized by the Foundation. Such access may be revoked by the Foundation at any time for any reason. Reuse or resale of this property or any portion thereof is

prohibited unless the Foundation expressly grants otherwise in writing. For the sake of clarity, you may not download (except with respect to page caching), copy, reproduce, publish, republish, use, distribute, display, post, transmit, translate, modify, adapt, create derivative works of, perform, or otherwise exploit the Web Sites or any portion thereof without the Foundation's written permission. Moreover, to be clear, you may not "mirror" the Web Sites or any portion thereof on any other server without the Foundation's prior written permission.

If you are uploading, posting or in any way submitting anything to or through the Web Sites, such as personal information, text, photos, or videos (collectively, "Submissions"), you represent and warrant that you own the Submissions or the owner has consented to your Submissions, and that you are at least 13 years old. You are solely responsible for any damages as a result of any infringement of intellectual property rights (such as copyright infringement) or any other harm resulting from your Submissions.

With respect to the Submissions, you grant the Foundation a world-wide, royalty free, perpetual, irrevocable, non-exclusive right and license to download, copy, reproduce, publish, republish, use, distribute, display, post, transmit, translate, modify, adapt, create derivative works of, perform, and otherwise exploit the Submissions, whether in part or in the entirety, on the Web Sites and/or in other works regardless of the form, media, or technology thereof. In addition to the foregoing, you grant the Foundation and anyone we authorize the right to identify you as the author or originator of any of your Submissions in a manner of our choosing, for example by your name or email address.

The Foundation takes its intellectual property, and that of third parties, quite seriously. To that end, the Foundation reserves the right, at its sole discretion, to limit or terminate your access to the Web Sites in connection with the Foundation's efforts to protect its intellectual property and that of third parties.

The Foundation's logos and slogans, the names "Appointments Project<sup>®</sup>," "Women's Foundation," and "Women's Foundation of Greater Kansas City," and any other trade names, commercial names, trademarks, service marks, certification marks, and collective marks as these terms are defined in 15 U.S.C. § 1127, alone or in combination (collectively, "Marks" or "Third Party Marks" if not owned by the Foundation), whether registered or unregistered, present in any manner on the Web Sites may not be copied, imitated, or used in any other way, whether in part or in the entirety, without the prior written permission of the Foundation. For the sake of clarity, any use of metatags or any other hidden text with respect to the Foundation's Marks is expressly prohibited unless the Foundation has granted advance permission to do so in writing.

Any copyright owner who believes their copyrighted material is being infringed with respect to the Web Sites ("complaining party") should report any alleged violation to the Foundation's Executive Director by written notice either to Women's Foundation of Greater Kansas City, Attn: President & CEO, 2100 Central St., Ste. 11E, Kansas City, Missouri 64108 or by electronic message using the form available at <http://www.womens-foundation.org/people>. ## **Interactive Features on the Web Sites**

The Web Sites may include, either regularly or from time to time, interactive features such as but not limited to an ability to perform transactions online, to submit content or information, to participate in message boards or other forms of an online community, or to conduct chat sessions (collectively, "Interactive Features"). The Interactive Features shall only be used for lawful purposes. The Foundation shall have the right, but not an obligation, to monitor the Interactive Features and take actions when the Foundation

deems your behavior to be in potential violation of law or otherwise inconsistent with the Foundation's work. You may not access the Web Sites in any manner that is or may be construed to be: illegal or encouraging conduct that would be illegal, infringing, false or misleading, defamatory, harassing, threatening, stalking, abusive, vulgar, obscene, harmful, hateful, objectionable, tortious, libelous, invasive of another's privacy, directed to or harmful to minors in any way, or for any unauthorized or unintended purpose whether non-commercial or commercial in nature. In view of the foregoing, to the extent the Foundation deems it necessary, your access to the Web Sites may be limited or denied in the Foundation's sole discretion. You must not: interfere with the ability of anyone else to enjoy or access the Web Sites, infringe any rights of the Foundation or any third parties, or conduct yourself in a disrespectful manner when accessing the Web Sites and/or the Interactive Features.

The Foundation disclaims any endorsement or responsibility for your access to the Interactive Features in any manner; you are responsible for lawful and proper access to the Interactive Features.

Notwithstanding the foregoing, the Foundation shall not assume or have any liability for any action or inaction by the Foundation with respect to the Web Sites and the Interactive Features.

The inclusion of any such links does not imply any endorsement, sponsorship, or any other association between the third party providing such other web site and the Foundation. Regardless of any such endorsement, sponsorship, or any other association, you bear sole responsibility and risk for your access to such third party sites and all content, features, products, and services available on or through them, including with respect to any claims, damages, or liabilities incurred in connection therewith.

You may provide links only to the Foundation's primary web sites <http://www.womens-foundation.org/> and/or <https://www.appointmentsproject.org/> but only in a manner that is reasonable and not misleading. Such linking, including any content provided therewith, may not state, suggest, or imply any endorsement, sponsorship, or any other association with the Foundation unless prior written approval is obtained from the Foundation. Notwithstanding the foregoing, the Foundation's Web Sites may not be linked by any site that contains adult content such as pornography or content that is illegal or encourages conduct that would be illegal, infringing, false or misleading, defamatory, harassing, threatening, stalking, abusive, vulgar, obscene, harmful, hateful, objectionable, tortious, libelous, invasive of another's privacy, or directed to or harmful to minors in any way.
